Pornstar

Interview

Brett Rossi

Sitting in the far corner of the room, we watch the porn scene unfold in front of us. There are six in the crew and a couple extras that walk through the start of the scene are sitting nearby. The director sets the scene with Brett Rossi and her love partner for the day. Suddenly the video cameraman says he's having trouble with the camera. He's going to need twenty minutes to figure it out. Brett stands up in her stunning nudity and walks over to us without even picking up a robe. I cannot take my eyes off this amazing creature as she approaches.

Pornstar Interview

Brett Rossi

Thank you guys for coming. I'm afraid I only have a few minutes now and unfortunately, I can't stay after the shoot, so let's do it.

No problem Brett, we'll be brief and let you get back (trying desperately hard to look her in the eyes). You've probably been asked every question in the book, so we'll get right to ours. Let's talk about sex. Okay?

Of course, that's why I'm here.

Let's start right at the top. You have a sexy mouth. How do you like use it and your tongue?

Wow, no one's ever asked about my mouth except about giving blow jobs. I like using my mouth and tongue. It's really one of my most sensitive spots, I like kissing and I like licking pussy. My tongue is usually pretty active so Frenching and ticking into a kitty hole is fun. I also, of course, like the control it gives on a blow job. Adding a nibble with teeth here and there usually gets guys off. Now you've made me think more about it!

Your perfect nipples. Does touching or licking them get you off?

Yeah, I like having them touched and sucked. They get really hard and I can get excited if they're stimulated. I can't say that I've ever cum just from them, but other girls have told me that have. I will admit that if it goes on for too long they tend to get pretty sensitive and then it hurts.

And your boobs?

I gotta tell you, I think they're more for others. I like them and they make me look good in clothes, but, for me, they only add the visual during sex. All anyone can do with them is hold or touch the, I like the sensation, but it's not a sexual feeling. When I watch porn and focus on boobs, they look good and I can see guys enjoying the look of them, they really aren't sexual organs. Just maybe sexual stimulants.

(She's rubbing them and pinching her nipples right in front of us, teasing and smiling back.)

Pornstar Interview

Brett Rossi

Can we move a little further down now? Before you describe your pussy, tell us about hair or no hair down there.

Okay, well, I go through phases myself whether to have hair or not. Obviously if a scene or director doesn't want any, I shave or wax it. And I know, having licked many a pussy, that no hair is the way to go if someone is spending any amount of time down there. In my personal life, I like to just let it go. Upkeep can be such a chore.

My pussy? Yes I have one and I know how to use it. It's my livelihood and what makes me who I am. I think mine is nice and my labia don't get in the way. Trying to describe how it feels during sex is like me asking you how your cock feels. Unless you have one, you can't describe it.

(I see the director waving his hand in a circle to us saying to wrap it up) Last question, tell us about your butt.

My butt? I think I know what you're asking but just let me say that I work out and do pay special attention to my backside. Doing what I do, it has to be in great shape and I like wearing short shorts and bikinis. Even I don't find a lot of jiggle and cellulite appealing, but I'm also a realist that not everyone can work out or have good genes, so I'm very fortunate. I won't tell you what I do in my personal life because some things have to stay private. Besides, most of my sex life is out there for almost anyone to see. Thanks guys, but I gotta go. Hope you got what you wanted.

Yes, yes we did, and pay special attention as she walks away.

SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd drink their bathwater, bear their children, or just that you have a secret crush on them.

I'm writing to tell you how much I liked your issue with Nautica on the inside, but there were definitely not enough pages of her. What a stunning creature she is. I wish she was somewhere where I could adore her, even from a distance. And she was really hot as she was being fucked by that guy. Man that was really sexy, and she's got a great body and seems like she likes giving head. That was the best part for me. It actually looked like she was liking what she was doing and what was being done to her. She seemed totally uninhibited. None of the girls I've dated act this way. Why can't I meet girls like these? Thanks anyway!

— Chris B., Massachusetts

When the last issue of SWANK came out, I literally creamed in my pants with the pictorial Shyla and Capri. Now, you understand that I look at thousands of sexy pictures every year and see all sorts of women, but these two are by far some the most beautiful sapphos I have ever seen. And the things they do to each other are hotter than hot! There was so much good stuff that it was hard to pick which of the pictures I liked the best. I, myself, have never spoken to a beautiful lesbian, and knew she was one. If I could and knew she was gay I'd ask: "What's it like to be with another beautiful woman? Does she smell as nice as she looks? Did you like your asshole licked? Did you like licking her asshole? Do you miss a penis or a man when making love?" Wouldn't you?

— Jordan M., Georgia

A woman with long brown hair is lying on her side on a light blue couch. She is wearing a light blue, off-the-shoulder, short-sleeved top and white high-heeled sandals. Her right leg is raised high into the air, and her left leg is bent. She is looking towards the camera with a slight smile. She is wearing a long necklace with green and red beads and a matching bracelet on her left wrist. A large, dark-framed painting is visible on the wall behind her.

WHAT'S OR WHERE'S THE WILDEST SEX YOU'VE HAD

We've all done it somewhere where we shouldn't or with someone we shouldn't or got freaky-deaky at the wrong time or place.

These ladies tell us their secrets...

We've seen lots of sex on the screen but most of it is pretty repetitious and bland. Lots of oral sex and lesbian action, but where's the really hot, hot, hot stuff. Like the couple that did it hanging from a mountain climbing rope. Now that's an adventure.

I did it in the back of a cab in New York City.

Oh yeah, I've seen the videos online about these cab fuckings, but they're all staged, even the ones done in Europe. But for me, I really did it in a cab ride from Manhattan to Staten Island. It was Late November and I was going back home with my boyfriend after we saw a Broadway show. We hailed a cab in front of the Hudson Theater and headed down Broadway. By the time we got to the Bowery area I had bet my man that we could fuck in the cab and not get caught. And who would care if we did. So when we hit the Brooklyn-Battery tunnel, I had my panties off and pulled his cock out of his pants. Since it was winter, We had large coats on so there was plenty to hide behind. We just had to muffle our voices. So by the time we had come out of the tunnel and into Brooklyn, we had positioned ourselves for the 'deed.'

He moved over to the corner of the seat behind the driver to be harder to see. Initially I was a bit hesitant but decided to go ahead anyway. We agreed we'd do it on The Verrazano Narrows Bridge. As the cabbie entered the on ramp to the bridge, I edged my bare butt over to his hard-on and lifted slightly so he could guide it in. I sat on it and started grinding since going up and down would be pretty obvious. I tried to act normal and converse about the play in case the cabbie was listening. We did this all the across the bridge and by the time we hit Staten Island, we were both even hornier. He whispered he was about to come so I carefully got of him, grabbed his cock and finished him off so he could cum in my panties. We finally got to my door, paid the cabbie and ran inside and off to bedroom.

In a horse stable with the horse watching.

My husband was a horse trainer in Lexington Kentucky and one day he had finished grooming the latest racehorse to join the stable. I watched from the open stall door at this marvelous hunk of a man I had just married as his bare chest and strong arms glistened as he brushed the chestnut mare. When he finished, I walked over to him and complemented him on a job well done. I whispered that watching him was a real turn on and I wanted him here in the stall. At first he hesitated, but when I began to unbuckle his big belt and unzip his pants. I rubbed up and down on his pants before grabbing his cock and pulling it out. It wasn't as hard as it will be but that gave me enough time to drop my undies and hike up my shirt. I put both hands on

the stall's half-wall and stuck out my butt. My husband positioned himself behind me and stuck his cock into my wet pussy. We fucked like that for a few minutes before he pulled out and told me to get down on the hay. I complied and he laid on top of me thrusting like he hasn't done since the honeymoon. I felt a rustling in the stall and looked over his shoulder to see the horse watching up. Her head was bobbing up and down as if approving what we were doing. We both came right there on the stable floor. That was very exciting.

In a blind while duck hunting.

I live in Wisconsin and enjoy duck hunting with my boyfriend and his retriever, Skully. One day last week we had been sitting in the blind for three hours with no action. I told him I'd give him some action and unzipped his camo pants and started sucking his cock. It was hard in to time and he came in five minutes!

In a police car, really.

Don't judge. My husband is a cop and we do police things all the time in our lovemaking. Like role-playing cops and robbers, using handcuffs, naked interrogations, but we had never done it in his cruiser. When I suggested it, he hesitated and told me it was not a good idea. I pressed him and told him I'd needed to be arrested. He finally agreed and brought it home at lunch time and immediately "arrested" me and put me in the back. I had short shorts on and flashed him when I climbed in. He took off his service belt and then serviced me.

My wildest sex was looking for bigfoot.

I know you probably don't believe me, but it's true. My girlfriend is a big believer in Sasquatch. I'm not, but I agreed to go with her and one of the bigfoot club's outings into the deep woods outside of Tacoma. We packed all our camping stuff and headed out for a three day and night surveillance trip. They did the typical howls and wood knocks, but nothing was returned. The third night was still young when she and I feigned stomach aches and the rest of the crew went out into the woods. The campfire was blazing and we settled into our tent and after a few minutes decided to play around. I was worried about the guys coming back, but she was worried we'd be caught by bigfoot. We laughed and started kissing. We were naked except for out tops and socks. We were deep into sixty-nining when an ominous shadow came across our tent. She saw it because she was on the bottom and I immediately sat up. We dressed and sat there with our knees drawn up rocking back and forth.
